PROFILE

Currently a Cloud & Cybersecurity student at Thomas More. From an early age, I have always been involved with science and technology.

Besides cybersecurity, I also have great interests for

- blockchain
- solidity
- smart-contracts
- decentralized finance.

I like to educate and improve myself. Not only on a computer science related level. A student for life!

EMPLOYMENT HISTORY

Crypto Mining Assistant, Bitgoonz (My own project), Antwerp

SEPTEMBER 2021 – JUNE 2022

- Realized projects confidently by possessing strong knowledge of computer fundamentals and operating systems.
- Settled any customer disputes in a professional and pleasant manner.
